

Luisa Ruiz, County of San Diego Filipino-Employees Association (CSDFEA) Treasurer, and **Edd Urbano**, CSDFEA Auditor, are both great assets to the CSDFEA. They are responsible for tracking, auditing, and reporting of the CSDFEA's finances in addition to their work roles as Associate Accountant and Administrative Analyst III respectively.

Last year, when the CSDFEA implemented the Typhoon Haiyan/Yolanda Countywide donation drive, neither of them hesitated to take on the additional duties entailed with this huge effort, which included many hours spent tracking donations, making additional trips to the bank to deposit donations, keeping the CSDFEA President up-to-date on the effort and the donations, etc. In total, over \$6,000 was raised and donated to the American Red Cross to benefit the efforts in the Philippines. Because of their joint effort, the donation drive was a major success! And, in addition to that responsibility, they were also tracking the tickets and payments for the Employee Resource Group (ERG) Holiday Party during this same time period. Again, neither of them hesitated to take on the additional duties because they are great team players; always ready to lend a hand and go above and beyond the call of duty.

Whether it's helping with a CSDFEA activity, promoting and educating people about the Filipino-American culture, or helping the County handle its daily business, Luisa and Edd are valuable resources.

They make a difference simply because they do what comes naturally to them, work hard and help out!
