

COUNTY OF SAN DIEGO
FILIPINO-AMERICAN
EMPLOYEES' ASSOCIATION

August Member of the Month:

Todd Cloaninger

Administrative Analyst III, Treasurer Tax Collector

Originally from South Carolina, Todd realized his childhood dream of moving to California. After graduating from Washington & Lee University with a degree in Commerce, he toured the Golden State and liked sunny San Diego best, so he settled in America's Finest City & County. He later earned his Master of Science in Business Administration in Financial and Tax Planning from San Diego State University.

Prior to joining the Treasurer-Tax Collector last year, Todd worked in the Sheriff's Contracts Division, at SDSU Research Foundation in Grants and Contracts, and at local banks in Trusts and Estates. Now as an Administrative Analyst III in Treasury Accounting, Todd handles special projects, including County-wide unclaimed property escheatment, cost accounting for the \$8.9 billion investment pool, procurement coordination, and contract administration.

Todd feels fortunate to work for the County because of its diversity, dedicated employees, training and development, variety of career opportunities, and public service contributions. He hopes to continue learning new tasks, growing into more responsibility, and making a difference.

Todd values CSDFEA's personal and professional development opportunities, and CSDFEA lets him keep in touch with friends and make new ones around the County. Todd has Filipino friends and family, so CSDFEA is a way for him to connect with the Filipino community and to learn about its rich culture.

In his spare time, Todd enjoys his pet dogs, gardening, music, reading, exercise, and travel. Todd's take on life is summed up in these words by Mahatma Gandhi: "Live as if you were to die tomorrow. Learn as if you were to live forever."
