

# Chrys Flor

DEPARTMENT: Sheriff's Department Grants Unit  
TITLE: Administrative Analyst

**Chrys Flor** has worked for the County of San Diego for 14 years and is an Administrative Analyst for the Sheriff's Department's Grants Unit. Prior to coming to the County, she worked in the finance, mortgage banking, and, specialty chemical industries; academia; and, with foster youth. Chrys has a Bachelor of Arts degree in Sociology with honors from CSU San Marcos and, an Associate of Science degree in Business Administration from San Diego Mesa College.

Born and raised in San Diego at a time when she was one of a handful of racial minorities in predominantly white schools and work environments, Chrys appreciates the opportunity of having served as one of CSDFEA's Vice President's in 2013-2014 and as a CSDFEA Board Member in 2015-2016. These appointments allowed her to learn and appreciate the history of immigrant Filipinos and the Filipino culture (her mother was from Camiling, Tarlac, and her father from Albay in the Bicol region); hike trails that she never would have done on her own; and, develop many acquaintances with other members that are very dear to her heart. She was tasked with leading CSDFEA's New Logo Committee in 2014; is the face behind the camera, aka "The Photographer", at most CSDFEA and select Employee Resource Group (ERG) events; creates and maintains many of the albums on CSDFEA's Facebook page; and, is one of CSDFEA's editors (if your document is *bleeding all over* in red, Chrys was probably the one who edited it!).

In her free time, Chrys enjoys time with her four most favorite people: her two sons and their wives (Nathan 28; Warren 30; Sheri 29; and, Bernadette 30); walks with her two big dogs; creating and designing dessert tables; and, singing in the choir and volunteering in community outreach events at her church. She is looking forward to life's adventures in the coming year which include being a grandma (her first grandchild is due January 24th... it's a boy!); volunteering to assist women with their unplanned pregnancy through alternative options and hope; and, learning to play the guitar with the *Girls and Guitars* ministry at her church.

DECEMBER 2016 CSDFEA MEMBER OF THE MONTH
