

Suzette Encabo

CSDFEA Volunteer

SUZETTE ENCABO is currently works at San Diego State University, Student Health Services. She has 20 years experience as a Clinical Laboratory Scientist and a Bachelor's of Science degree in Medical Technology from De Ocampo Memorial College and Far Eastern University.

Suzette enjoys being a member of County of San Diego Filipino-American Employees' Association (CSDFEA) because it has provided her opportunities to serve the community in ways that draw on her skills and talents. In addition, she values the commitment and dedication toward serving the community. According to Suzette, "it is a privilege to be a part of such a dynamic and relevant group."

Suzette strongly believes that "an effective leader knows how to be a good servant as well."

During Suzette's spare time, she loves to read, write, sing, draw, and hike.
