The Volunteer Income Tax Assistance (VITA) program assists low income individuals and families with free tax preparation. This year we had **6 CSDFEA members** who got IRS certified to provide VITA services through the Council of Philippine American Organizations (COPAO) VITA, located in National City. Their efforts during January 2015 – April 2015 helped COPAO VITA process **1040 tax returns, totaling \$1.7 million.**

CSDFEA is proud to grow our presence in the community by way of community service and partnerships with Filipino-American community based organizations such as COPAO.
