TITLE: Human Resources Specialist

ANGELA “ANGIE” SOLOM joined the County of San Diego in 2011 as an Office Assistant at HHSA’s Children’s Mental Health division. In 2014, she started working at the Department of General Services (DGS), working alongside the County Operations Center’s Property Manager and DGS Director’s Office. Most recently, she recently joined the Department of Human Resources’ Employee Benefits division, as a Human Resources Specialist.

Angie received a Bachelor’s Degree from San Diego State University with a double major in Psychology, and Television, Film, and New Media Studies. Her goal is to work at the County Communications Office and be able to have a positive impact on County employees and the public. Other future goals include obtaining a Master’s Degree and then applying her knowledge to the ever growing and changing workforce. Angie would also like to write a film script and pitch it to executives of a production studio.

Angie enjoys working for the County of San Diego because she feels that the organization allows employees to grow into their roles and fosters an environment of collaboration and encouragement. Says Angie, “I’m excited to be a part of CSDFEA because I enjoy meeting new people and building relationships with people from various parts of the County.”

Her favorite quote: “Attitude is everything. Be kinder than necessary, for everyone you meet is fighting some kind of battle. Live simply, love generously. Life isn’t about waiting for the storm to pass - it’s about learning to dance in the rain!”
